

Credo Community Center for the Treatment of Addictions, Inc.

POSITION VACANCY NOTICE

Date: January 26, 2017
Job Title: Integrated Treatment Therapist or CASAC
Status: Non-Exempt/Hourly, Full Time
Program: OTP Clinic, 595 W. Main St., Watertown
Shift: TBD
Report to: Clinical Director

Description

Provide a full array of individual, group and family rehabilitative services to persons affected by substance use and mental illness in an outpatient setting utilizing integrated treatment theory, principles and methods

Essential Job Functions

- Apply master level MHC, MSW or MFT theory, principles and methods or CASAC training to prevent, assess, evaluate, formulate and implement a plan of action based on client needs and strengths
- Intervene to address mental, social, emotional, behavioral, developmental, and addictive disorders, conditions and disabilities, and of the psychosocial aspects of illness and injury experienced by individuals, couples, families, groups, communities, organizations and society
- Engage in the administration of tests and measures of psychosocial functioning, provide client advocacy, case management, counseling, consultation, research, administration and management, and teaching
- Provide comprehensive mental health screenings and initial assessments to medically-referred and other clients
- Provide short-term and long-term, structured, evidence-based psychotherapy as part of an appropriate treatment plan
- Coordinate and collaborate with the client's primary care provider to improve health outcomes
- Be a member of the Clinical Health Services team
- Facilitate referrals to other services (e.g. substance abuse treatment, specialty care and community resources) as needed
- Work closely with the Medical Director, Nurse Practitioner and Clinical Director on challenging cases
- Work to meet patient needs effectively and resolve individual barriers through follow-up, advocacy and collaboration with other clinicians and other community service providers
- Maintain accurate and timely records of all client related services and case management notes
- Develop and maintain relationships with local universities that provide Credo with interns; assist with annual intern recruitment; supervise behavioral health interns
- Provide regular, written reports to the Clinical Director and additional reports as assigned
- Diagnose mental, emotional, behavioral, addictive and developmental disorders and disabilities under the supervision of LCSW
- Administer and interpret tests and measures of psychosocial functioning, social work advocacy, case management, counseling, consultation, research, administration and management and teaching under the supervision of a LCSW
- Develop and implement an appropriate assessment-based treatment plan for each client under the supervision of a LCSW
- Provide crisis intervention as needed under the supervision of a LCSW
- As we work toward and maintain an integrated model of care you may be asked to work in either the addiction or mental health clinic based on client demands

- Other duties as assigned to support the mission of the organization

Note: The above statements are intended to describe the general nature and level of work being performed by individuals assigned to this position. They are not intended to be an exhaustive list of all duties and responsibilities required of personnel so classified.

Minimum Job Qualifications

- Must have a current valid license to legally practice as a LMHC, LMSW or LMFT in New York or a CASAC
- Shall be competent to treat adults and adolescents for ongoing psychotherapy
- Shall have at least one year of experience of effectively providing integrated treatment services for clients and family members
- Familiarity and comfort working with issues related to homelessness, substance abuse, mental health diagnosis, and history of trauma
- Experience in the following areas:
 - psychosocial assessment
 - individual therapy
 - group therapy
 - evidence-based counseling
- Maintain at least the continuing education requirements of specific profession
- Strong interpersonal, written and oral communication skills; proven ability to communicate with diverse audiences
- Strong administrative skills and proficiency in Microsoft Office Suite (Word, Excel, Outlook)
- Support the goal of abstinence from mood altering substances unless prescribed by a physician knowledgeable of substance use and mental health.
- Must subscribe to a Professional Canon of Ethics
